

# We look amazing in this **jacket.**

## **HC SERIES HIGH-DENSITY RISER RATED CABLES.**

**20% thinner. 20% lighter.  
Exclusive Core-Lock™ Jacket.**

**Helping you do amazing.**

OCC's HC Series high-density riser rated cables feature a rugged tight-buffered fiber unit construction that is UV, fungus, and water resistant. Ideal for indoor or outdoor use, the core-locked outer jacket is designed for installation survivability.

Most importantly,  
it simply performs.  
That means that  
while our cable  
looks amazing in  
this jacket, you'll  
look even better  
for specifying it.
