OPERATIONS

PROUDLY HEADQUARTERED IN THE USA:
OCC employs over 300 talented people across 3 strategically located US manufacturing facilities. OCC is a certified small business by the U.S. Small Business Association (SBA). We serve as leaders in technical and customer support. Our customers rely on us to provide quick lead times, fast shipping, and design-build expertise. Learn more at occfiber.com/about-occ

RELIABLE CABLE & CONNECTIVITY SOLUTIONS PROVIDER:

Our innovation and expertise has expanded beyond cable to include end-to-end fiber optic and copper cabling & connectivity solutions used everywhere from buildings, campuses and data centers, to sporting venues, industrial facilities and harsh environments. You can rely on OCC's strategic product portfolio for all your connectivity needs.

GET TO KNOW
OCC

99+

STRATEGIC GLOBAL PARTNERSHIPS:

Each year, OCC products are used in countries all over the world. We offer some of the most rugged, reliable, and innovative cable and connectivity products and solutions.

INNOVATIVE & RESPONSIVE EXPERTS

Since 1983, OCC's innovative cable and connectivity designs have revolutionized the communications industry. Our history and growth have helped us attract and retain experts in manufacturing, engineering, and design-build applications. We partner with our customers to achieve the right solution. The entire process is simple, fast, and reliable.

WARRANTY & ASSURANCE

WARRANTIES

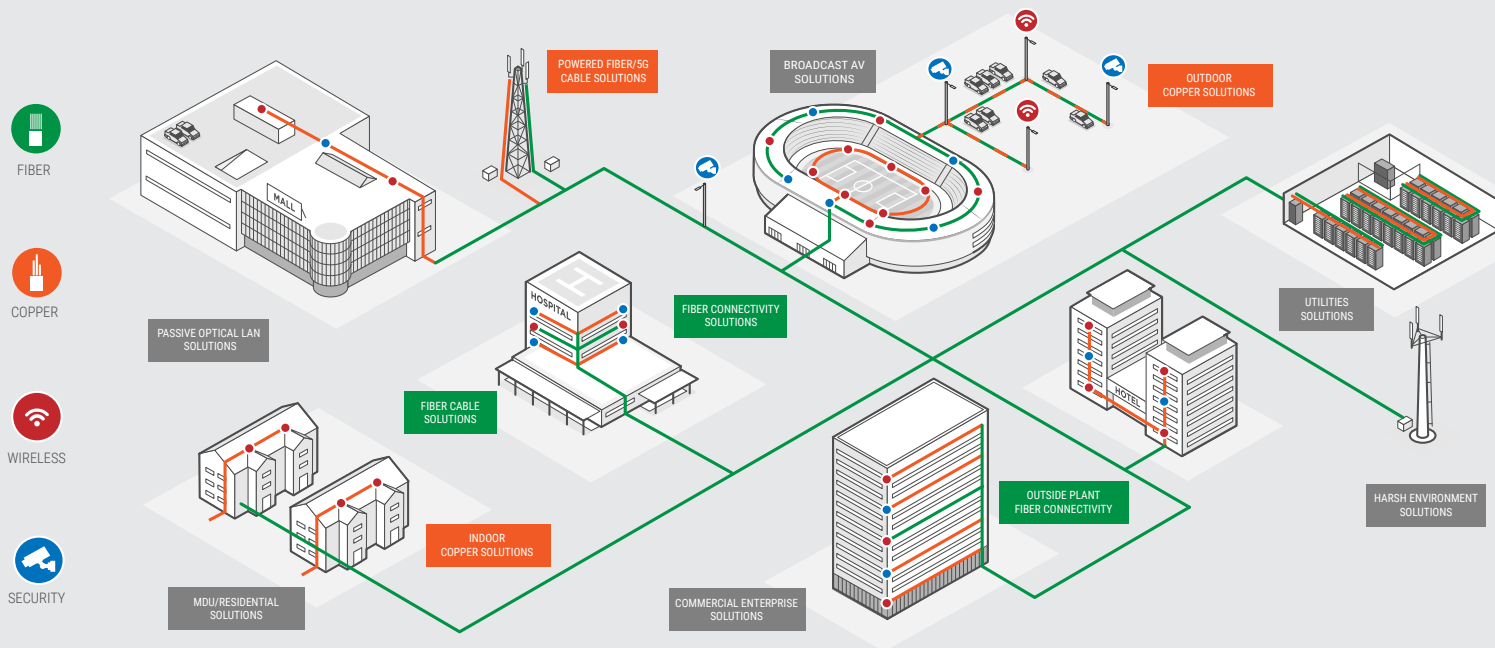

At OCC, we understand reliability is critical to your business. The demands of modern industry require datacomm components that provide both flawless performance and exceptional integrity. We're committed to providing cabling and connectivity solutions that exceed industry standards. Then you can be certain you are getting components that are fully warranted by OCC, according to each applicable warranty statement. Learn more occfiber.com/performance-warranties

MDIS PROGRAM

OCC's Multimedia Design and Integration Specialist (MDIS) Program is designed to serve as a guarantee that our quality products are being installed to our extremely rigorous installation standards. This means the installer can rely on technical assistance, specification support and various resources for any application or project using OCC cable and connectivity products. Learn more about the MDIS 25 Year System Warranty: occfiber.com/25-year-warranty

QUALITY ASSURANCE

Our Quality Management System is certified to ISO 9001:2015, the internationally recognized standard for quality management systems. This means that each customer will receive the highest quality standard on each and every product. OCC conducts rigorous inspections to ensure the quality and reliability of all our products. This includes extensive environmental and mechanical testing on each product type to verify compliance on a continuing basis. In addition, many independent testing and verification laboratories continue to confirm our compliance to UL, MSHA, and other applicable product standards. **Rest assured, our quality is sound.**
